

Jean-Claude Mas's great-grandfather, Auguste Mas, purchased the family's first vineyard in 1892.

Today, Paul Mas wines are the product of a harmonious blend between an exceptional grape-growing region, a deep passion for the vines, a respectful winemaking process, and the skilled art of blending and aging.

THIS IS THE  
PAUL MAS STYLE  
a continual pursuit  
of authenticity  
and character,  
driven by creativity.
